

Rules for winning the awesome Mini Cooper

This year you can win an awesome Mini Cooper :-) Please read the rules carefully.

How do we choose the winner of the car?

All the overall winners SNFC & SOC put their slip number in the lottery pot, an innocent hand from the audience will draw the winner of the car on stage. One slip number per athlete allowed.

- At any moment we have the right to change the rules. We can add or remove parts of the rules.
- Photo of the car on our posters is just a design. Please note: we can change the design of the car. There will be sponsors logos on the car.
- The car stays at all times the property of SNFC Events.
- You need to be minimum 18 years or older.
- You can drive the car for a maximum of 1 year.
- Gasoline or diesel not included.
- You need to post a photo of the car once a week on social media and tag SNFC & SOC.
- You need to have a driver's license for at least 3 years.
 - If you don't have your driver's license for at least 3 years, we can ask for a deposit for insurance purposes. (deposit will be determined by the insurance)
 - You need to get approved by the insurance company. If you don't get approved, you will lose the right to the car. In this case, we are not obligated to give you any money or other compensations.
- You need to be a resident of one of the Benelux countries, Germany or France.
- Only the winning athlete can be the driver of the car.
- A contract will be presented to the winner before we can give you the car.
 - If you do not agree with the agreement you can turn down the car. In this case, we are not obligated to give you any money or other compensations.
- Insurance included in the price (subject to the approval of the insurance company)
- Road tax included.
- Maintenance of the car included (maximal usage of 30.000km)
 - Car needs to get maintenance in one of our selected BMW garages.
- When the car needs maintenance you need to contact the selected garage.
 - Car needs to be brought in in time for maintenance.
 - Defects resulting from late or bad maintenance will be charged to you personally.
 - Spare car not included.
 - The cost of all abnormal wear or damage caused by incorrect use of the vehicle, will be charged to you.
- You cannot make modifications to the car without our written permission.
 - You cannot make any technical changes in the car. If there are any changes made, the cost of restoring the car in the original state will be sent to you.
 - Remove or replace parts of the car
 - Remove the logos or wrap of the car
 - You cannot add logos on the car
 -

- Under no circumstances SNFC Events will bear any liability for damage resulting from adjustments made by the Customer, even if SNFC Events has given its permission.
- Car needs to be treated as your own.
 - Take care of the car
 - You need to make sure the car is cleaned every month
- On the last day of the contract, the car will be picked up at your home. You need to clean the car before he is picked up.
 - If not, the cleaning cost will be for you.
- Any change in address needs to be communicated immediately by written note to SNFC Events.
- Under no circumstances will SNFC Events bears any liability for your behavior on the road.
 - Traffic or other fines will be forwarded to you.
- In the event of theft, disappearance or alienation of the Equipment OR the theft, loss or disappearance of the onboard documents or the number plate, you will immediately and at least within 24 hours report this to the Police. You shall immediately provide SNFC Events with the original of the police report evidencing this declaration or, if you have not obtained an original, inform SNFC Events of the police unit where the declaration was made, as well as the note number of the trial verbal. In the event of theft being reported, all (doubles of) keys must also be delivered to SNFC Events.
 - In case of theft, SNFC events are not obliged to foresee a spare car or prolong the term to use the car.
- The car can never leave the European Union without our written permission.
- The car is equipped with a track and trace system.
- By violation of any of the rules above or the contract we can retrieve the car immediately and without warning.

These are our standard rules. You still need to sign the renting contract of the car and get your insurance approval. If the first winner is not able to fulfill the requirements of getting the car, we will do a new drawing.
